2. Providing governance and development for, and developing interest and participation in, the sport of table shuffleboard throughout the United States as determined by the System.
3. Being responsible to the players;
4. Keeping those engaged in the sport of table shuffleboard informed of policy matters and reasonably reflecting their views in policy decisions;
5. Providing a viable table shuffleboard handicap rating system.
6. Providing and publishing the final ratings once each year with a mid year adjustment rating.
7. **Exception:** Providing governance bodies that establish criteria and procedures for, and maintain among their members, individuals who are actively engaged in professional and amateur competition.
 - a. **Rating Committee** - (hereafter referred to as the Committee) will consist of approximately 19 or more Seasoned Raters, or as set forth and approved by 2/3rds of the Committee. Each geographic Region and Area will be fairly represented among Members of the Committee. Ref Article II.
 - b. **Player Rater** – (hereafter referred to as Rater) will consist of players selected and approved by the majority of the Rating Committee. Each geographic region and area will be fairly represented among Raters.
 - c. **Guideline Committee** - Committee shall consist of volunteers from Seasoned Raters, the Rating Committee and players recommended and approved by the Committee.

- d. **Oversight Committee** – Selected individuals from within the Rating Committee whom will investigate and make recommendations to the Rating Committee for any and all grievances that may apply to the Rating System including its players and their ratings. Decisions by 2/3rds of the Rating Committee are final.
1. Committee will consist of 3 Rating Committee members.
 2. Duties will include but not limited to reviewing each year's rating cycle submissions before they are adopted as Final Ratings by the Rating Committee.
 - a) Submitted ratings will be flagged for review, if any individual rater ranks a player out of deviation to the median submitted by other raters as a whole. This deviation is currently set at + or – 0.50
 - b) Recommendations for corrective action will be presented to the Rating Committee for approval.
 3. At any time a Rating Committee Member may advise and or offer evidence representing any individual grievance.
 - a) This process may require temporarily replacing on a one to one basis, a Oversight Committee member with a Rating Committee member should the existing member have no knowledge of the player of interest or the rater filing the grievance
 4. All grievances and appeals must be in writing and directed by an area rater to the Rating Committee, any of its members or Chairman Ron Bowers.
 5. All grievances, reviews and appeals will be handled on a timely basis and submitted to the Rating Committee for final approval.

Article II

Rating Committee

Section A. Authority and Duties

Management and governance of the system is vested in the Rating Committee. The Committee is a strategic governing body; and its powers and duties include, but not limited to:

1. Determining programs and services;
2. Establishing standards and monitoring the performance of the system.
3. Determining the System's policy positions;
4. Amending, interpreting, and enforcing all policies and procedures, rules and requirements, criteria, standards and grievances;
5. Reserving the authority over the applicability and enforceability of the system's requirements within the organization;
6. Communicating applicable rules and changes to players and raters.
7. The Rating Committee has the authority to change a questionable rating at any time during the year, but the majority of changes will be made at the mid year rating adjustments.
8. Other duties;
 - a. The committee will vote on all newly proposed rater(s) (new or replacement) as recommended by an existing rater or volunteer on their own and must be approved by the majority of the committee before becoming official. An excess or shortage of raters in specific geographic areas is only one of the considerations before approving to add a newly proposed rater or removing an existing rater. If a rater drops out for any reason during the year, the committee will review the need for replacement and approve proposed replacements if it is determined a replacement is needed.
 - b. The rating committee will help come up with some basic guidelines and suggestions to aid our raters in getting a more accurate rating for our players.

Section C. Objectives

1. Development and support for aiding and accomplishing standardization among all raters.
 - a. Free of any bias or prejudice caused by personal feelings.
Ref; Article III.A.1d
 - b. 2 rated raters should not rate pros (-1.5 thru -0.01) players unless they are extremely sure of their rating.
 - c. Most players either get better or worse every year. Do not rate a player assuming you remember them from past years. A rater should not rate anyone they have not seen play in recent years.
 - d. Players should not use whole numbers only, to rate. **Ref; Article III-A.3, 4a, 4b & 5**
 - e. Raters should attempt to travel to out of town tournaments.
 - f. Raters should rate everyone they have seen play, not just hometown players.
 - g. Raters should rate a player even though he/she does not think he/she has changed.
 - h. Raters should keep notes during the year.
 - i. Raters should set examples for good sportsmanship and professional courtesy at all times.
 - j. Raters should continually look for qualified new raters.

- k.** Strive to be consistent with your rating no matter where the player is from. A 2.0 player from the West, Central, or East area should have the same basic qualifications. There are many good examples to use as guidelines.
- l.** If a rater runs into a problem or question, they should not hesitate to contact a member of the Rating Committee.
