Cedars Tavern Tournaments

For the past year, Cedars Tavern has been using the manufacturers suggested weights(pucks) for play on their bank board, which were the small weights(pucks), 2" dia. The one thing Sun-Glo failed to realize is that all 12' cushion shuffleboards use large weights, 2 5/16" dia.

Cedars Tavern has just purchased a new set of lage Sun-Glo Spangler weights. These are the same sized weights that are used in the WCCL(Whatcom County Cushion League), which measue 2 5/16" in dia.

Subscriptions: Sep. to May \$7.00 per season - cash \$8.00 per season - check
