# GLEN INGRAM

## Indiana Shuffleboard Hall of Fame

Glen started playing Shuffleboard in the spring of 1991 at the Reddog Saloon in Muncie, IN. One of Glen's teachers among many was his brother Al Ingram. To this day Al and Glen are fierce competitors. The first time Glen won anything was a round robin at the Reddog with Bob Brown.

A couple of years went by and Glen was at Houghton Lake in Michigan when he had one of his best tournaments. He played through a field of many beating everyone in sight and didn't lose a single game.

Glen has won State singles, State doubles, Bourbon doubles with Jim Dewitt, Bourbon singles true round robin, 6 person and doubles in Reno, State mixed doubles (with Jeri), Houston Holiday Open with Jim Long and many, many more.

One of Glen's greatest accomplishments was this year's Memorial Weekend Tournament in Durand, Michigan when he won the singles, beating Bobby V, Darrel Nelson and double dipping John McDermott in one tournament.

Glen has traveled from New York to Florida and Texas to Michigan and most places in between.

Glen says, "I owe my success to my wife Jeri because without her sacrifices, patience, and love I would never have had the opportunity to accomplish this great honor in such a short time".

**CONGRATULATIONS, GLEN!**
